# CURRENT PRICE LIST

Effective January 1, 1951

This catalog was published in December 1949 for distribution during the following months and the Spring of 1951. Prices listed therein have been in effect since the Spring of 1944. Owing to the increased costs in every phase of operation, after these 7 years we are forced to make this slight increase, which cancels all previous lists.

## Page of Catalog

- |    |  |
|----|--|
| 6  | GIANT WILD RICE SEED (Until May 1st) @ \$1.20 per lb., or 10 lbs. @ \$10.00                |
